TITLE

→ "Connecting financing schema in SE-DK-DE for Startups"

New title (if possible to change):

Navigating Financing for Startups in Germany and the Nordics with Sami Niemi

ACTIVITY PARTNER

→ Skåne Innovation Week is an annual event taking place throughout the region, showcasing all of the exciting innovations that actors and individuals are working with-from Malmö to Kristianstad to Trelleborg, and every city in between.

MANAGEMENT SUMMARY

→ Join us for a breakout session dedicated entirely to startup financing and collaboration in Germany and the Nordics.

PROGRAM DETAILS

→ We'll be led by innovator and entrepreneur Sami Niemi, who will deliver the morning's keynote presentation and kick-off the discussion.

Among other notable achievements, Niemi is the founder of Scalado and serves as a senior advisor for Spintop Ventures.

Attendees will learn about navigating the world of financing in Sweden, Denmark, and Germany and opportunities for strengthening investment collaboration between the three countries.

Moderator:

Jeremie Poirier, Managing Director of Malmö Startups

Keynote presentation: Sami Niemi, Senior Advisor Spintop ventures

The session will also feature a presentation by Karin Ebbinghaus, Investment manager Almi Green tech fund and also a talk about EU-funding opportunities through the Horizon 2020/Eurostars project by Håkan Sehlin of Invest in Skåne and will end with a panel discussion.

This event is taking place during Fehmarnbelt Days 2018 and is a part of this year's Skåne Innovation Week.
